OUR BOURBONS: BARREL STRENGTH

Our wheated Barrel Strength bourbon has been filtered straight from the barrel to the bottle. The Barrel Strength offering is uncut and non-chill filtered. No additives were included in order to give the customer the most authentic bourbon possible. The aroma is similar to the Small Batch, but the taste adds floral notes to increase the users experience. On the palate you will explore flavors such as butterscotch, honey, toffee, caramel, spiced raisin and cashews. The higher proof makes this drink perfect for enjoying neat, on the rocks, or with a splash of water to open the flavor.

OUR BOURBONS: SMALL BATCH

Horse Soldier® Small Batch Bourbon Whiskey is a uniquely complex, "wheated" bourbon, that has matured a minimum of 6 years in new American white oak barrels. This all-natural, all-American product has won multiple awards, most recently the Double Gold at the 2022 San Francisco World Spirits Competition. The soft red winter wheat in our recipe provides intriguing depth and complexity to this spirit. This award-winning bourbon has an aroma with notes of butterscotch, ginger, and cherries. The flavor profile consists of creamy toffee, dark stone fruits, ginger, cola, vanilla, and oak. Small Batch can be used to make cocktails, but was made to be sipped neat, on the rocks, or with a splash of water.

OUR BOURBONS: STRAIGHT

Our traditional Straight bourbon is undeniably smooth with a full bodied, and decadent finish. It stands out from other high rye bourbons due to its maturity. This bourbon has been pulled from 3-5 year old whiskey, which is 2 years more than required. A double gold medal winner from the 2019 & 2022 San Francisco World Spirits Competition, is a bourbon with an aroma rich with toffee, sweet corn, and apple scents. When the bourbon hits your lips, you experience a taste of caramel, vanilla, toasted corn, honey, nutmeg, and custard with a hint of spicy oak. The color is a beautiful amber and can be used in elegant cocktails such as the Manhattan, Old Fashioned, and Whiskey Mule.
